6. [] Bill Woodruff, Counsel, Senate Appropriations Committee, called and asked me about the status of legislation covering the funding of RFE and RL. I told him that as he recalled the Senate passed the bill originally proposed by Senator Case (S. 18) but the Foreign Affairs Committee, after hearings on the subject, had reported S. 18 with language substituted by Mr. Fascell which provides for one year of funding of the Radios by the State Department pending the completion of a study on the whole subject of support of other similar organizations. I said my last information was that the this was now pending in the House Rules Committee.

25X1 6. [] Received a call from Mr. William Cook, Counsel, House Armed Services Committee, who told me that he has his visa and tickets for travel to the USSR and requested, if possible, a defensive briefing tomorrow or Tuesday afternoon. 25X1 5. [] I accompanied Mr. [] OCI, 25X1
to a meeting with Representative Ogden Reid (R., N.Y.). Mr. []
updated the information previously given Representative Reid on the Middle 25X1
East and Iran. As we were departing he mentioned that he had some
interesting conversations with various officials during his recent visit to
[]

Radio Free Europe and Radio Liberty noting that in his opinion the Radios
had played an important role in getting Gierak into office. He told us also
that his office had had a meeting recently with Mr. Oleg Krokhaliev of the
Soviet Foreign Ministry who is also identified as an interpreter at the
SALT talks. Mr. Krokhaliev had been referred to his office by Representative
Brad Morse (R., Mass.). In addition his office was visited yesterday by
Mr. Gregory Rapota of the Soviet Embassy. After brief discussion he agreed
that it would be well if one of our Polish/Soviet people could come by Tuesday
or Wednesday to talk to him about the trip and the Soviet visitors to his office.
I told him I would be back in touch with his staff as soon as possible.

25X1 6. [] Met with Representative William Minshall
(R., Ohio), concerning the OTR Senior Intelligence Seminar program for
Thursday, 28 October. Representative Minshall will be pleased to meet with
the group and made preliminary arrangements for a dining room. Representative
Minshall thought it would be well if he were to invite Representative Frank
Bow (R., Ohio) and possibly one or more of the Democrats from the Committee
to join in such a luncheon. I thanked him very much and told him I would
relay his suggestions and be back in touch first thing tomorrow.

25X1 7. [] As a followon to Mr. Houston's, OGC,
and Mr. []'s, OP, meeting of yesterday afternoon with Mr. Bernard
Rosen, Deputy Executive Director, Civil Service Commission, I talked to
Mr. Anthony Mondello, General Counsel, of the Commission, to insure that
our offices are in accord in the various actions being taken concerning H. R. 11150.
Mr. Mondello told me for our information that the Chairman had forwarded a
letter with a copy to each member of the Post Office Committee outlining the
Commission's continued opposition to the entire bill and detailed in the letter
the fact that comments made by Commission representatives during the various
hearings on the bill had been in the spirit of providing technical assistance to
the Committee and had in no way been intended to soften or qualify the opposition
of the Commission to the bill. The official report of the Commission is in
process in the Office of Management and Budget and is expected to clear there
some time this afternoon for delivery to the Committee this evening. It is
anticipated that the OMB approved report will contain language to the effect
that the proposed bill is in opposition to the President's legislative programs
and policies.

R. 11150. After conferring with the ADDS the listing was given to Mr. Raymond by telephone.

25X1

11. [] I accompanied Messrs. John Clarke and Ed [] OPPB, to a meeting with Mr. Ralph Preston, House Appropriations Committee staff, and Mr. William Woodruff, Senate Appropriations Committee staff. The group reviewed certain aspects of the Agency budget prior to the forthcoming markup by the House Committee. See Mr. Clarke's Memorandum for the Record.

25X1

12. [] Received a call from John Wilson, Staff Assistant to Representative Paul McCloskey (R., Calif.). Wilson was interested in receiving a subscription to the FBIS Daily Report for the Middle East and also some current copies of that report. 8. [] Mr. Roy Bullock, Staff Administrator, House Foreign Affairs Committee, called to say that Chairman Clement Zablocki of the Subcommittee on National Security Policy and Scientific Developments, would like a briefing on the Soviet strategic situation similar to the one given the year before last by Mr. Duckett. Bullock said that Chairman Morgan, of the full Committee, was agreeable to any way we handled it, but suggested we make sure that we give Zablocki's Subcommittee the same kind of treatment we recently gave the Hamilton Subcommittee. Bullock said Mr. Hamilton apparently was well pleased with the briefing his Subcommittee had received.

25X1

25X1

9. [] Met with Mr. Charles Whitley, Administrative Assistant to Representative David Henderson (D., N. Car.), who told me that the [] case has been settled administratively by the Department of Army and thanked me for such assistance as the Agency might have provided in review of the case. See Journal items of 19 March and 20 April 1971.

25X1

10. [] Received a call from Russ Blandford, Chief Counsel, House Armed Services Committee, who asked if we could locate a copy of a book titled "Water on the Brain" which is pre-World War II by a British author, he believed. 8. [] At his request, met with Mr. John Martiny, Chief Counsel, House Post Office and Civil Service, together with Mr. David W. Bowers, Inspector, FBI, Mr. Anthony Mondello, General Counsel, Civil Service Commission, and Miss Marcia MacNaughton, Constitutional Rights Subcommittee staff, Senate Committee on the Judiciary. Mr. Martiny outlined briefly the request to him from Representative Udall (D., Ariz.) for staff assistance in drafting a proposed amendment to the Committee bill on invasion of privacy of Federal employees for introduction in the full Committee hearing. Mr. Martiny appeared to discard completely a conversational suggestion that had been made during the Subcommittee meeting this morning that the "exempt agency employees" might file complaints with the board established under the bill. Discussion centered on possible amendment to the bill to require annual reporting to the Committee of cases of a similar nature processed within the intelligence community framework. Mr. Martiny indicated he would be back in touch with the individual participants in the meeting at a later date.

25X1

9. [] Met with Mr. Marvin Leibstone, Staff Assistant to Representative William Randall (D., Mo.), in response to his call and reviewed with him a staff paper that was being prepared for Representative Randall concerning possible introduction of legislation by Representative Randall relating to release of intelligence information to the Congress. The paper is a rational attempt to set out guidelines for controlling the release of sensitive information and indicated in part that no action should be taken without prior consultation with Agency representatives. I pointed out to Mr. Leibstone that a bill almost foursquare with the stated objectives was introduced earlier this year by Representative Charles Gubser (R., Calif.). I also suggested other areas of review that might be of interest. Mr. Leibstone was most appreciative and said he would call if any further assistance is desired by Representative Randall.

10. [] Left with Richard Perle, on the staff of the Senate Subcommittee on National Security and International Operations, the FBIS translation of a portion of Castro's speech in which he referred to hijacking of U.S. planes to Cuba.
